

The Week in the Word

Overview of the Book of Acts, Part 2

Study Period: Oct. 21-26

Link Group Meetings: Oct. 27 – Nov. 1

1. **Read Acts Chapters 13-28 this week.**
2. **Make a list of which chapters in this book involve Peter more than anyone else, and which chapters involve Paul more than anyone else.**
3. **Since the other apostles were also at work at the same time as Peter and Paul, why do you think the Spirit of God has chosen to give us a book that centers only around those two men?**
4. **In the following list of passages, notice the places where the pronoun “we” is used, indicating that Luke was present with Paul during the events described. What kind of interesting experiences did Luke get to share with Paul? See chapters 16, 20, 21, 27 and 28.**
5. **If this book of Acts were not included in the Bible, how would you describe what would be missing in the total picture of the Bible’s message?**

6. Extra Credit Blessing: Give a one-sentence summary of each chapter.
